*A WEEKEND SCIENCE ADVENTURE!*

TICKETS ON SALE NOW AT: [www.winchesterscifest.org](http://www.winchesterscifest.org)

## ***A WEEKEND SCIENCE ADVENTURE!***

Held at Winchester Discovery Centre, Festival happenings range from science talks, music, and comedy, to hands-on workshops, with lots of entertainment around the venue too! There are also three evenings of outstanding science-themed entertainment and comedy incorporating many of the speakers from the Festival, as well as comedians and entertainers.

Dive in and explore the mind-boggling world of science and technology. What will you discover?

- The secret of eternal life with Dr Simon Watt?
- The self illusion with Prof. Bruce Hood?
- Science misadventures with Dr Fran Scott?
- Bosons with CERN's Prof Butterworth?
- The future of synthetic biology with Dr Adam Rutherford?
- A live Little Atoms podcast recording?

Other great guests include:
